FALL PLANTING IS AN ACKNOWLEDGED SUCCESS

Trees, etc., make new roots and become established, giving the full maximum of growth the first year. Take advantage of this, for there is much other requisite work in the spring.

THERE IS AN ADDED ADVANTAGE TOO, for we are offering best quality stock at exceptionally favorable and reduced prices, which makes an attractive investment.

OUR BUSINESS IS NATIONAL IN SCOPE, not confined to any local territory.

OUR CLIENTELE is a Blue List of fine country estate owners and the leading parks of the country.

NURSERY STOCK

Our broad selection of "Quality First" planting material that can be relied upon for effective planting results embraces

EVERYTHING WORTH PLANTING

We have here indicated a few items only of our stock, sufficient to demonstrate that our terms are very favorable for the standard of quality maintained. In view of the increasing demand this season, we suggest that you act promptly and send us your orders, or planting lists for quotations.

KELSEY NURSERY SERVICE

Consult us with confidence regarding your contemplated planting plans. We aim to give you the best in service, experience, quality of material, etc., at a minimum of cost; in return we expect to merit and receive your confidence. This leads to mutual satisfaction.

A boundary screen of Lombardy Poplars and Privet is successful with our "Quality First" Stock

PRICES QUOTED are for 100 Lots, viz., not less than 50 of a kind; 15% extra on quantities of 25 to 50 of a kind; 33 $\frac{1}{3}$ % extra on quantities per dozen of a kind.

Per 1,000—not less than 500 of a kind—deduct 15%.

These prices do not include freight or express charges, nor the customary charge for packing at cost. Accounts are strictly Net, payable in thirty days.

DECIDUOUS TREES

All transplanted and well rooted stock;
fine healthy trees for permanent planting.

LANDSCAPE PLANS. Before beginning the work on the grounds of your new country place or park, be sure to have a carefully worked-out planting design. Errors made by inexperienced treatment are not only expensive, but difficult to rectify. We furnish plans by leading landscape architects, selected on the basis of the work involved. The charges are reasonable, and you have the advantage of our co-operation as to varieties, etc.

Consultation is given without obligation.
